Action Plan for Spring Semester '20

Following is the date wise tentative action plan for team Beladi-Salhapur for Spring Semester '20.

1. Republic Day Events

The team will conduct "Fun and Learn" activities for students in primary school. The team will try to inform as much as possible to inform them about our country through fun activities.

Tentative Date	Activity
January 26, 2020	Conduction of decided event.

2. School Upgradation

The team will try to convert secondary school into senior secondary school within semester. The objective is to provide secondary education accessible to all nearby students in the govt. secondary school.

Tentative Date	Activity
Whole Semester	Presenting proposal of school upgradation before CEO (Chief Education Officer)
Whole Semester	Follow the procedure for upgradation

3. Science Exhibition and Workshop

The team in collaboration with a technical group in the college will conduct an exhibition and a workshop for secondary school students in the village. The aim is to develop curiosity and interest among the students for technical knowledge.

Tentative Date	Activity
January 18, 2020	Meeting with the Principal of Secondary School and taking permission to conduct the workshop and exhibition.
January 22, 2020	The workshop will be conducted.

4. Mini Bank

As the existing nearest bank is at a distance of approx. 2 km from the village, the villagers face the difficulty of banking. The initiative aims for the setup of a mini bank in the village to help the villagers.

Tentative Date	Activity
January 18, 2020	Meeting with the Pradhan regarding the initiative.
February 7, 2020	Meeting with the officials for documentation work.
March 2020	Installation of Mini bank in the village

5. Sanitary Pad Vending Machine

The team will install sanitary pad vending machine which would provide sanitary pads at nominal ₹2 cost in Anganvadi and Primary School with the help of CSR (Corporate Social Responsibility) so that the health and hygiene of the women of the village can be helped.

Tentative Date	Activity
Whole Semester	Contacting interested companies for CSR
Whole Semester	Installing vending machine

6. Science Lab

Installation of Science Lab in Secondary School for better understanding and practical knowledge of the students.

Tentative Date	Activity
Whole Semester	Contacting companies which can provide material for the science lab.
Whole Semester	Providing the manual to the staff with the lab manual.
Whole Semester	Completing the installation of lab.

7. Soil Health Card

The team will conduct a survey in the village to find out if the people have used this scheme. The team will then ensure that the farmers have the soil health card which provides the farmers with detailed analysis of the soil in his fields along with the amount of various macro and micronutrients present. The team will also take feedback from farmers regarding this initiative.

Tentative Date	Activity
January 09, 2020	Meeting with Agriculture officer in Bahadrabad
January 11, 2020	Meeting with Pradhan and information collection from villagers.
January 18, 2020	Making of Soil Health Cards

8. Dental Health Camp

The team will organize a dental health camp in the village with the expected participation of 3000 villagers. The main objective of the camp will be to provide basic dental health education to the villagers and motivate dental hygiene, apart from providing free dental check-ups.

Tentative Date	Activity
January 04, 2020	Proposal to Seema Dental College sent
January 10, 2020	Confirmation of camp from Pradhan and promotions
January 11, 2020	Conduction of camp
