

UNNAT BHARAT ABHIYAN

Indian Institute of Technology Roorkee

Following is the date-wise tentative action plan for Village Chharba, Spring Semester'20.

1. Pradhan Mantri Bhartiya Jan Aushadhi Yojana Kendra (PMBJP):

- It is a campaign launched by the Department of Pharmaceuticals, Government of India, to provide quality medicines at affordable prices to the masses through special centres known as *Pradhan Mantri Bhartiya Jan Aushadhi Kendra*.
- The team has to identify the potential for opening the *kendra* in Chharba.

2. Soil health Card:

- It is a scheme launched by the Government of India in 19 February 2015. Under the scheme, the government plans to issue soil cards to farmers which will carry crop-wise recommendations of nutrients and fertilisers required for the individual farms to help farmers to improve productivity through judicious use of inputs.
- The team will make the farmers aware about the benefits of the soil health card and will help the farmers in getting the cards.

3. Rashtriya Swasthya Bima Yojna (RSBY):

- RSBY provides yearly cover for hospitalisation expenses up to ₹ 30,000 plus the transportation charge up to ₹ 1000 (₹ 100 per visit). The family is provided with a smart card containing the photograph and finger prints of family members.
- The team will make the villagers aware about the benefits of RSBY will help the villagers in getting the smart card.

4. Self Help Group:

- The team provided market to a group of women where they can sell their home-made food products. In this way employment was provided to 12 women of the village.
- This semester team will help the group in getting FSSAI certification so that they can sell under their own name. The team also make other women aware to join this this group.

5. Amazon Saheli:

- Amazon provide good opportunity for women to sell their home-made products online on Amazon. This is a very good way to generate employment. Amazon will provide complete training regarding the selling of products online.
- The team will make the women aware about the benefits of *Saheli* store and will also explain the way to connect to Amazon.

6. UDAAN:

- *Udaan* is a project launched by Central Board of Secondary Education (CBSE) under guidance of Ministry of Human Resource Development (MHRD), to address the low enrolment of girl students in prestigious engineering institutions and the teaching gap between school education & engineering entrance examination.
- The team will make the girls of schools aware about the *Udaan* project. The team will also register the interested and eligible girls online, to get the benefits of *Udaan* project.

7. Library Setup:

- The team has decided to open and maintain a public library in Chharba.
- Mr Shubhrat has contacted the NGO Ajivam Education Society which helps in opening public library in villages.
- The team has to find a place where the library can be opened so that more and more people have reach to the library.

8. Aptitude and Reasoning Exercises:

- The initiative started in previous semester to improve the academic conditions at Chharba and to provide students additional knowledge which will be helpful in various competitive exams.
- Under this initiative, the students of class XI and XII will be taught basic science, mathematics, aptitude and reasoning. The students are provided with questions asked in various competitive exams.
- This initiative requires regular efforts so it will be conducted in every visit.

9. Setting up smart classes in schools:

- NGO will help in establishing smart class in govt. school for digital education.
- Team will contact such NGOs which are setting up smart classes in government schools and will try to collaborate with them for setting up smart classes in GIC, Chharba.

10. Career Guidance Session:

- Students of *Madarsa* will be instructed for their future through guidance in different fields including Hotel Management, Medical sciences, psychology, JEE and UPSC preparation.
- The team will first find some of the best people in the above-mentioned fields and then will take them to Chharba where they will share their knowledge and experiences with the students. They will also share some tactics to excel in their respective fields.

11. Cattle vaccination:

- Due to the lack of medical availabilities, cattle were not vaccinated properly. So, they will be vaccinated with the help of a team of doctors from Dehradun.
- The team will fetch a team of veterinary doctors from Dehradun and will take them to Chharba where the cattle will be vaccinated by them.
